

REMARKS

By the above amendment, claims 21, 26, and 35 have been amended to delete multiple claim dependency. Thus, these amendments are made for a purpose unrelated to patentability, and no estoppel should be deemed to be associated with this amendment. Claims 37 – 40 have been added. These claims do not add new matter in that they were at least original claims in multiple dependent formats.

If there should be any questions, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,
Shigeki NOMURA et al.
